Hi Luke

Yes, I'll be there for the board vacancy on the 20th.

As the EHBID is still doing outreach with the community, the "preliminary plan" has been relabeled as a "concept plan" not a proposal. Once the EHBID board approves to move forward with a "concept plan" based on the community outreach efforts, the plan will be labeled a "proposed plan" at which time the EHBID board will seek official letters of support from each organization including the LFNC.

I presented to the LFBID board yesterday morning and they had a different, yet workable concept within the boundary of the EHBID, and asked if I could have it drawn out. I agreed to put together "Concept Plan B". However, I will not have it ready by the 20th and will not plan on doing any presentation on the Vermont Training to the LFNC board.

The concept plan you saw at the LFNC - Transportation Committee, which was revised again based on the comments I heard at the committee, will be now known as "Concept Plan A"

Before I present to LFNC Board, I wish to present both concept plans to the LFIA Board or an LFIA Committee. They may have another concept to pursue.

Vaya con Dios,

Jeff,

The Vermont Triangle proposal from the East Hollywood BID will be on the agenda for Los Feliz NC's Sept 20 Governing Board meeting. Would you be able to attend to present on this item? I would offer you five minutes to do so. I expect that you'll be at the meeting regardless since you are also on our agenda for the District B vacancy.

Please advise. Thanks.

-Luke
